

## Mansion On A Hilltop

[Here on earth troubles loom, in this world I'm  
bound to roam

I've got a mansion on a hilltop, so why should I  
worry or care

For it's always there, I have Jesus to prepare  
A beautiful mansion on a hilltop square

Chorus:

I've got a mansion on a hilltop, waiting over  
there

Where there will be no sorrow, no more  
burdens to bear

With Jesus, I will be forever in His care

In my beautiful mansion on a hilltop square

Well you may laugh and make fun of the way  
that I talk

And you may laugh at the way that I sing

But in that city where the soul never dies

I've got a mansion and I know I'll wear a crown  
and robe as king

Chorus:

I've got a mansion on a hilltop, waiting over  
there

Where there will be no sorrow, no more  
burdens to bear

With Jesus, I will be forever in His care

In my beautiful mansion on a hilltop square]
