

I'm Still Standing

You could never know what it's like
Your blood, like winter, freezes just like ice
And there's a cold, lonely light that shines from
you
You'll wind up like the wreck you hide behind
that mask you use
And did you think this fool could never win?
Well, look at me, I'm a-coming back again
I got a taste of love in a simple way
And if you need to know while I'm still standing
You just fade away

Don't you know that I'm still standing better
than I ever did?
Looking like a true survivor, feeling like a little
kid
And I'm still standing after all this time
Picking up the pieces of my life without you on
my mind

I'm still standing, yeah yeah yeah

I'm still standing, yeah yeah yeah

Once, I never coulda predicted this
I'm spending all my money and I'm feeling
kinda rich
And I gotta have my little talks with you
I'm satisfied, you're what I've waited for
I'm never gonna let you go

Don't you know that I'm still standing better
than I ever did?
Looking like a true survivor, feeling like a little
kid
And I'm still standing after all this time
Picking up the pieces of my life without you on
my mind

I'm still standing, yeah yeah yeah

I'm still standing, yeah yeah yeah

Don't you know that I'm still standing better
than I ever did?
Looking like a true survivor, feeling like a little
kid
And I'm still standing after all this time
Picking up the pieces of my life without you on
my mind

I'm still standing, yeah yeah yeah

I'm still standing, yeah yeah yeah

I'm still standing, yeah yeah yeah
