

Anywhere Is

I walk the maze of moments
But everywhere I turn to
Begins a new beginning
But never finds a finish
I walk to the horizon
And there I find another
It all seems so surprising
And then I find that I know

You go there, you're gone forever
I go there, I'll lose my way
If we stay here, we're not together
Anywhere is

The moon upon the ocean
Is swept around in motion
But without ever knowing
The reason for its flowing
In motion on the ocean
The moon still keeps on moving
The waves still keep on waving
And I still keep on going

You go there, you're gone forever
I go there, I'll lose my way
If we stay here, we're not together
Anywhere is

I wonder if the stars sign
The life that is to be mine
And would they let their light shine
Enough for me to follow?
I look up to the heavens
But night has clouded over
No spark of constellation
No Vela, no Orion

The shells upon the warm sands
Have taken from their own lands
The echo of their story
But all I hear are low sounds
As pillow words are weaving
And willow waves are leaving
But should I be believing
That I am only dreaming?

You go there, you're gone forever
I go there, I'll lose my way
If we stay here, we're not together
Anywhere is

Anywhere is
Anywhere is
Anywhere is
