

## Book of Days

One day, one night, one moment  
My dreams could be tomorrow  
One step, one fall, one falter  
East or west, over earth or by ocean  
One way to be my journey  
This way could be my book of days  
No day, no night, no moment  
Can hold me back from trying  
I'll fly, I'll fall, I'll falter  
I'll find my day may be far and away  
Far and away

One day, one night, one moment  
With a dream to believe in  
One step, one fall, one falter  
Finding new day, new heights  
New depths in reason  
With the senses, keenly opened  
Mind and my wings will mend

One day, one night, one moment  
Seeing through a sky that's purely blue  
And stretches out to forever  
Forever calling me

One day, one night, one moment  
With a dream to believe in  
One step, one fall, one falter  
Finding new day, new heights  
New depths in reason  
With the senses, keenly opened  
Mind and my wings will mend
