

Marble Halls

I dreamt I dwelt in marble halls
With vassals and serfs at my side
And of all who assembled within those walls
That I was the hope and the pride
I had riches all too great to count
Could boast of a high ancestral name
But I also dreamt which pleased me most
That you loved me still the same
That you loved me
You loved me still the same
That you loved me
You loved me still the same

I dreamt that suitors sought my hand
That knights upon bended knee
And with vows no maiden's heart could
withstand
They pledged their faith to me
And I dreamt that one of that noble host
Came forth my hand to claim
But I also dreamt which charmed me most
That you loved me still the same
That you loved me
You loved me still the same
That you loved me
You loved me still the same
