

Songbird Version by Eva Cassidy

For you, there'll be no more crying
For you, the sun will be shining
And I feel that when I'm with you
It's alright, I know it's right

To you, I would give the world
To you, I'd never be cold
'Cause I feel that when I'm with you
It's alright, I know it's right

And the songbirds are singing
Like they know the score
And I love you, I love you, I love you
Like never before

And I wish you all the love in the world
But most of all, I wish it from myself
And the songbirds keep singing
Like they know the score
And I love you, I love you, I love you
Like never before
Like never before
