

I Will Love You All My Life Version by Foster and Allen

I will love you all my life
That's what I'll do
I'll be right beside you all the way
I would never leave you, darlin'
And I'll always want you to stay

I will love you all my life
With all my heart
I'll be loving you, darlin'
Right from the start
And I promise you, darlin'
I'll always be true
I will love you all my life
