

Strangers in the Night

Strangers in the night
Exchanging glances
Wandering the night
What were the chances?

We'd be sharing love
Before the night was through
Something in your eyes
Was so inviting
Something in your smile
Was so exciting

Strangers in the night
Two lonely people
We were strangers in the night
Up to the moment
When we said our first hello
Little did we know
Love was just a glance away
A warm embracing dance away

And ever since that night
We've been together
Lovers at first sight
In love forever

It turned out so right
For strangers in the night
