

## **I'm So Lonesome I Could Cry**

Hear that lonesome whip-poor-will  
He sounds too blue to fly  
The midnight train is whining low  
I'm so lonesome I could cry

I've never seen a night so long  
When time goes crawling by  
The moon just went behind a cloud  
To hide its face and cry

Did you ever see a robin weep  
When leaves begin to die?  
That means he's lost the will to live  
I'm so lonesome I could cry

The silence of a falling star  
Lights up a purple sky  
And as I wonder where you are  
I'm so lonesome I could cry
