

Gina

Gina, Gina, I'm sorry I lied
But I love you, Gina, Gina
I'm sorry I lied
But I love you, Gina

I remember when we met
In the garden by the sea
You were standing there so sweetly
With your eyes so full of glee
We walked along the shoreline
Hand in hand, so much in love
But I let my foolish pride
Come between us, my dear love

Gina, Gina, I'm sorry I lied
But I love you, Gina, Gina
I'm sorry I lied
But I love you, Gina

Now I'm standing here before you
With a heavy heart and tears
Asking for your forgiveness
And hoping you still care
I know I've caused you pain, love
With the words that I've denied
But I'm ready to make amends
And be forever by your side

Gina, Gina, I'm sorry I lied
But I love you, Gina, Gina
I'm sorry I lied
But I love you, Gina

Gina, Gina, I'm sorry I lied
But I love you, Gina, Gina
I'm sorry I lied
But I love you, Gina
