

## All Night Long (All Night)

Well, my friends, the time has come  
To raise the roof and have some fun  
Throw away the work to be done  
Let the music play on (Play on, play on)  
Everybody sing, everybody dance  
Lose yourself in wild romance  
We're going to party, karamu, fiesta, forever  
Come on and sing along  
We're going to party, karamu, fiesta, forever  
Come on and sing along

All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)

People dancing all in the street  
See the rhythm all in their feet  
Life is good, wild and sweet  
Let the music play on (Play on, play on)  
Feel it in your heart  
And feel it in your soul  
Let the music take control  
We're going to party, liming, fiesta, forever  
Come on and sing my song  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)

Yeah, once you get started  
You can't sit down  
Come join the fun  
It's a merry-go-round  
Everyone's dancing  
Their troubles away  
Come join our party  
See how we play, oh

All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
Yeah, once you get started  
You can't sit down  
Come join the fun  
It's a merry-go-round  
Everyone's dancing  
Their troubles away  
Come join our party

See how we play, oh

All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)  
All night long (All night), all night (All night)
