

Penny Lover

The first time I saw you
Oh, you looked so fine
And I had a feeling
One day you'd be mine
Honey, you came along and captured my heart
Now my love is somewhere lost in your kiss
When I'm all alone, it's you that I miss
Girl, a love like yours is hard to resist

Oh, oh, penny lover
My love's on fire
Penny lover, you're my one desire
Tell me baby could this be true
That I could need someone like I need you

Night after night, I tried to make it all fit
together
Night after night, I'm still lost in your love
Don't know which way to go
Oh, oh, penny lover
Don't walk on by
Penny lover, don't you make me cry
Can't you see girl, I need you so?
Don't walk away from me, baby, no
I got my penny, I got my chance
I need you, baby, to romance
I'll keep you warm, baby
I'll take you in
I'll give you love until the very end, oh

Penny lover, don't you walk on by
Penny lover, don't you make me cry
Penny lover, don't you walk away
Penny lover, don't you make me cry
Penny lover, don't you walk on by
Penny lover, don't you make me cry
