

## Say You, Say Me

Say you, say me  
Say it for always, that's the way it should be  
Say you, say me  
Say it together, naturally

I had a dream I had an awesome dream  
People in the park playing games in the dark  
And what they played was a masquerade  
From behind the walls of doubt a voice was  
crying out

Say you, say me  
Say it for always, that's the way it should be  
Say you, say me  
Say it together, naturally

As we go down life's lonesome highway  
Seems the hardest thing to do is to find a  
friend or two  
That helping hand, someone who understands  
That when you feel you've lost your way  
You've got someone there to say, "I'll show  
you"

Say you, say me  
Say it for always, that's the way it should be  
Say you, say me  
Say it together, naturally

So you think you know the answers  
Oh no  
Well, the whole world's got you dancing  
That's right, I'm telling you  
It's time to start believing, oh yes  
Believing who you are: you are a shining star

Say you, say me  
Say it for always, that's the way it should be  
Say you, say me  
Say it together, naturally

Say it together, naturally
