

Always and Forever

Always and forever
Each moment with you
Is just like a dream to me
That somehow came true, yeah
And I know tomorrow
Will still be the same
'Cause we've got a life of love
That won't ever change and

Everyday, love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together, ooh baby

I'll always love you, forever, forever
There'll always be sunshine when I look at you
It's something I can't explain, just the things
that you do
If you get lonely, call me and take
A second to give to me that magic you make
And

Everyday, love me your own special way
Melt all my heart away with a smile
Take time to tell me you really care
And we'll share tomorrow together, ooh baby

I'll always love you, forever, forever
