

## If Only for One Night

Let me hold you tight  
If only for one night  
Let me keep you near  
To ease away your fears  
It would be so nice  
If only for one night

I won't tell a soul  
No one has to know  
If you want to be totally discreet  
I'll be at your side  
If only for one night

If only for one night  
Your eyes say things I never hear from you  
And my knees are shaking, too  
But I'm willing, willing to go through  
I must be crazy  
Standing in this place  
But I'm feeling no disgrace  
For asking

Let me hold you tight  
If only for one night  
Let me keep you near  
To ease away your fears  
It would be so nice  
If only for one night

If only for one night  
Yeah, yeah, yeah  
If only for one night  
Yeah, yeah, yeah
