

## **Superstar/Until You Come Back to Me (That's What I'm Gonna Do)**

Long ago  
And, oh, so far away  
I fell in love with you  
Before the second show

And your guitar  
And you sound so sweet and clear  
But you're not really here  
It's just the radio

Don't you remember you told me  
You loved me, baby?  
You said you'd be coming back this way again,  
baby  
Baby, baby, baby, baby, oh, baby

I love you, I really do

Loneliness is such a sad affair  
And I can hardly wait  
To be with you again

What to say to make you come again  
Come back to me again  
And play your sad guitar

Don't you remember you told me  
You loved me, baby?  
You said you'd be coming back this way again,  
baby  
Baby, baby, baby, baby, oh, baby

I love you, I really do

Don't you remember you told me  
You loved me, baby?  
You said you'd be coming back this way again,  
baby  
Baby, baby, baby, baby, oh, baby
