

Be My Love

Be my love, for no one else can end this
yearning
This need that you and you alone create
Just fill my arms the way you've filled my
dreams
The dreams that you inspire with every sweet
desire

Be my love, and with your kisses set me
burning
One kiss is all I need to seal my fate
And hand in hand we'll find love's promised
land
There'll be no one but you for me
Eternally
If you will be my love
