

Drink, Drink, Drink

Drink, drink, drink
To eyes that are bright as stars when they're
shining on me
Drink, drink, drink
To lips that are red and sweet as the fruit on
the tree

Here's a hope that those bright eyes will shine
Lovingly, longingly, soon into mine
May those lips that are red and sweet tonight
With mine be entwining

Drink, drink, let the toast start
May young hearts never part
Drink, drink, drink
Let every true lover salute his sweetheart
