

Bat Out of Hell

The sirens are screaming, and the fires are howling
Way down in the valley tonight
There's a man in the shadows with a gun in his eye
And a blade shining oh so bright

There's evil in the air and there's thunder in the sky
And a killer's on the bloodshot streets
And down in the tunnel where the deadly are rising
Oh, I swear I saw a young boy down in the gutter
He was starting to foam in the heat

Oh baby, you're the only thing in this whole world
That's pure and good and right
And wherever you are and wherever you go
There's always gonna be some light
But I gotta get out, I gotta break it out now
Before the final crack of dawn
So we gotta make the most of our one night together
When it's over, you know, we'll both be so alone

Like a bat out of hell, I'll be gone when the morning comes
When the night is over, like a bat out of hell, I'll be gone, gone, gone
Like a bat out of hell, I'll be gone when the morning comes
But when the day is done and the sun goes down
And the moonlight's shining through
Then like a sinner before the gates of Heaven
I'll come crawling on back to you

I'm gonna hit the highway like a battering ram
On a silver black phantom bike
When the metal is hot and the engine is hungry
And we're all about to see the light
Nothing ever grows in this rotting old hole
And everything is stunted and lost
And nothing really rocks and nothing really rolls
And nothing's ever worth the cost

And I know that I'm damned if I never get out
And maybe I'm damned if I do
But with every other beat, I got left in my heart
You know I'd rather be damned with you

If I gotta be damned, you know I wanna be damned
Dancing through the night with you
If I gotta be damned, you know I wanna be damned
Gotta be damned, you know I wanna be damned
Gotta be damned, you know I wanna be damned
Dancing through the night
Dancing through the night
Dancing through the night with you
