

Close Your Eyes

Close your eyes
Let me tell you all the reasons why
Think you're one of a kind
Here's to you
The one that always pulls us through
Always do what you gotta do
You're one of a kind
Thank God you're mine

You're an angel dressed in armor
You're the fair in every fight
You're my life and my safe harbor
Where the sun sets every night
And if my love is blind
I don't wanna see the light

It's your beauty that betrays you
Your smile gives you away
Cause you're made of strength and mercy
And my soul is yours to save
I know this much is true
When my world was dark and blue
I know the only one who rescued me was you
Close your eyes
