

Man in the Mirror

I'm gonna make a change
For once in my life
It's gonna feel real good
Gonna make a difference
Gonna make it right

As I turn up the collar on
My favorite winter coat
This wind is blowin' my mind
I see the kids in the street
With not enough to eat
Who am I to be blind?
Pretending not to see their needs

A summer's disregard
A broken bottle top
And a one man's soul
They follow each other on the wind, ya' know
'Cause they got nowhere to go
That's why I want you to know

I'm starting with the man in the mirror
I'm asking him to change his ways
And no message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make a
change, yey
Na-na-na, na-na-na, na-na-na-na
Oh no, no no
I'm gonna make a change
It's gonna feel real good
Come on

Just lift yourself
You know, you've got to stop it yourself
Yeah
I've got to make that change today
Ha
Man in the mirror, oh yeah
Change yourself, yeah
You got to, you got to not let yourself
Brother, brother
You know that
You've got to get it right
While you got the time
You can't close your, your mind
Don't, don't close your mind, no
That man, that man, that man, that man
With the man in the mirror
Yeah, yeah, yeah, yeah

That man, that man, that man
I'm asking him to change his ways
Better change, you know
That man, that man, that man, that man
No message could have been any clearer
If you wanna make the world a better place
Take a look at yourself and then make that
change
I'm starting with the man in the mirror
Oh yeah, make that change
