

Play Me

She was morning
And I was night time
I one day woke up
To find her lying beside my bed
I softly said "Come take me"
For I've been lonely in need of someone
As though I'd done someone wrong
somewhere
But I don't know where, I don't know where
Come lately
You are the sun, I am the moon
You are the words, I am the tune
Play me

Song she sang to me
Song she brang to me
Words that rang in me
Rhyme that sprang from me
Warmed the night and what was right
Became me

And so it was
That I came to travel
Upon a road that was thorned and narrow
Another place, another grace
Would save me

You are the sun, I am the moon
You are the words, I am the tune
Play me

Play me
Play me
Play me
Play me
