If You Love Me (Let Me Know)

You came when I was happy in your sunshine,
I grew to love you more each passing day,
Before too long, I'd filled my life with you,
But love, I love you anyway.

If you love me, let me know,
If you don't, then let me go,
I can't take another minute of a day without
you in it,
If you love me, let it be,
If you don't, then set me free,
Take the chains away that keep me loving you.

The arms that open wide to hold me closer,
The hands that run their fingers through my
hair,
The smile that says "hello, it's good to see
you",
Anytime I turn around to find you're there.
