

I Think of You

Oh, I think of you
I think of you
You're always on my mind
Oh, I think of you

I think of you
I think of you
Whatever I go through
Oh, I think of you

Time after time I tell myself that I'm
So lucky to be loving you
So lucky to be
The one you run to see
In the evening when the day is through

I only know what I know
The passing years will show
You've kept my love so young, so new
And time after time
I'll think of you
