

One More Night

One more night, one more night
I've been trying, ooh, so long to let you know
Let you know how I feel
And if I stumble, if I fall, just help me back
So I can make you see
Please give me one more night, give me one
more night
One more night, 'cause I can't wait forever
Give me just one more night, oh, just one
more night
Oh, one more night, 'cause I can't wait forever
I've been sitting here so long, wasting time
Just staring at the phone
And I was wondering, should I call you?
Then I thought, maybe you're not alone
Please give me one more night, give me just
one more night
Oh, one more night, 'cause I can't wait forever
Please give me one more night, ooh, just one
more night
Oh, one more night, 'cause I can't wait forever
Give me one more night, give me just one
more night
Oh, one more night, 'cause I can't wait forever
I know there'll be times when I'll make you cry
But I never meant to hurt you, I apologize
I know I promised to keep you, keep you in my
life
But I'm so sorry, I don't want to lose you
Give me one more night, give me just one
more night
Oh, one more night, 'cause I can't wait forever
Give me one more night, ooh, just one more
night
Oh, one more night, 'cause I can't wait forever
Give me one more night, give me just one
more night
Oh, one more night, 'cause I can't wait forever
Give me one more night, ooh, just one more
night
Oh, one more night, 'cause I can't wait forever
