

## Downtown Train

Outside another yellow moon  
Punched a hole in the nighttime, yes  
I climb through the window and down to the  
street  
I'm shining like a new dime

The downtown trains are full  
With all those Brooklyn girls  
They try so hard to break out of their little  
worlds  
You wave your hand and they scatter like  
crows  
They have nothing that'll ever capture your  
heart  
They're just thorns without the rose

Be careful of them in the dark  
Oh if I was the one  
You chose to be your only one  
Oh baby, can't you hear me now?  
Can't you hear me now?  
Will I see you tonight on a downtown train?

Every night, every night, it's just the same  
You leave me lonely now  
I know your window and I know it's late  
I know your stairs and your doorway

I walk down your street and past your gate  
I stand by the light at the four-way  
You watch them as they fall, oh baby  
They all have heart attacks, they stay at the  
carnival  
But they'll never win you back  
Will I see you tonight on a downtown train?  
Where every night, every night, it's just the  
same  
Oh, babe, I see you tonight on a downtown  
train  
Where I know your door, I know your stairs  
I see you tonight on a downtown train

All my dreams, all my dreams fall like rain  
On a downtown train
