

Rhythm of My Heart

Across the street the river runs
Down in the gutter life is slipping away
Let me still exist in another place
Running under cover of a helicopter blade

The flames are getting higher in effigy
Burning down the bridges of my memory
Love may still be alive somewhere, someday
Where they're downing only deer a hundred
steel towns away

Oh, rhythm of my heart is beating like a drum
With the words "I love you" rolling off my
tongue
No, never will I roam for I know my place is
home
Where the ocean meets the sky I'll be sailing

I could hold on to time like the wind on the
trees
Or try and embrace the moment and live my
own dream
Catch the wind, see us spin, sail away, leave
today
Way up high in the sky, hey, whoa

But the wind won't blow you away
You'll be staying to the rhythm of my heart,
yeah, yeah
Rhythm of my heart, oh yeah, yeah, yeah
Rhythm of my heart, let's go

Rhythm of my heart is beating like a drum
With the words "I love you" rolling off my
tongue
Never will I roam for I know my place is home
Where the ocean meets the sky I'll be sailing

Rhythm of my heart is beating like a drum
With the words "I love you" rolling off my
tongue
Never will I roam for I know my place is home
Where the ocean meets the sky I'll be sailing

Rhythm of my heart is beating like a drum
With the words "I love you" rolling off my
tongue
Never will I roam for I know my place is home
Where the ocean meets the sky I'll be sailing

Rhythm of my heart is beating like a drum
With the words "I love you" rolling off my
tongue
Never will I roam for I know my place is home
Where the ocean meets the sky I'll be sailing
