

## Help Yourself

Love is like candy on a shelf  
You want to taste and help yourself  
The sweetest things are there for you  
Help yourself, take a few  
That's what I want you to do

We're always told repeatedly  
The very best in life is free  
And if you want to prove it's true  
Baby, I'm telling you  
This is what you should do

Just help yourself to my lips  
To my arms, just say the word and they are  
yours  
Just help yourself to the love  
In my heart, your smile has opened up the  
door

The greatest wealth that exists in the world  
Could never buy what I can give  
Just help yourself to my lips  
To my arms, and then let's really start to live

All right, instrumental break

My heart has love enough for two  
More than enough for me and you  
I'm rich with love, a millionaire  
I've so much, it's unfair

Why don't you take a share?

Just help yourself to my lips  
To my arms, just say the word and they are  
yours  
Just help yourself to the love  
In my heart, your smile has opened up the  
door

The greatest wealth that exists in the world  
Could never buy what I can give  
Just help yourself to my lips  
To my arms, and then let's really start to live
