Another summer day has come and gone
away

In Paris and Rome, but I wanna go home,
mmm

Maybe surrounded by a million people I
Still feel all alone, I just wanna go home
Oh, I miss you, you know

And I've been keeping all the letters that I
wrote to you

Each one a line or two, "I'm fine baby, how are
you?"

Well, I would send them but I know that it's just
not enough

My words were cold and flat, and you deserve
more than that

Another aeroplane, another sunny place

I'm lucky, I know, but I wanna go home

Mmm, I've got to go home

Let me go home

I'm just too far from where you are, I wanna
come home

And I feel just like I'm living someone else's life
It's like I just stepped outside when everything
was going right

And I know just why you could not come along
with me

'Cause this was not your dream, but you
always believed in me

Another winter day has come and gone away

In either Paris and Rome, and I wanna go
home

Let me go home

And I'm surrounded by a million people, I

Still feel all alone, oh, let me go home

Oh, I miss you, you know

Let me go home

I've had my run, baby I'm done

I'm coming back home

Let me go home

It'll all be alright, I'll be home tonight

I'm coming back home
