

I'll See You Again

Always you will be part of me
And I will forever feel your strength
When I need it most
You're gone now, gone but not forgotten
I can't say this to your face
But I know you hear

I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again
When I'm lost, when I'm missing you like crazy
I tell myself I'm so blessed
To have had you in my life, my life

When I had the time to tell you
Never thought I'd live to see the day
When the words I should have said
Would come to haunt me
In my darkest hour, I tell myself

I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again
When I'm lost, when I'm missing you like crazy
I tell myself I'm so blessed
To have had you in my life, my life

I'll see you again
You never really left
I feel you walk beside me
I know I'll see you again
When I'm lost, when I'm missing you like crazy
I tell myself I'm so blessed
To have had you in my life

I'll see you again
Oh, I'll see you again
I'll see you again, my love
I'll see you again
